

KIDS Helping KIDS

Rocks the Beverwyck!

Hamagrael has been invited for a second year to perform our lip synch show at the Beverwyck, a senior residential facility in Slingerlands.* We are going to do two shows, if there is enough interest among the lip synch groups:

Sunday, Feb. 7 at 3PM at the assisted living facility (1st bldg in the complex on the right as you enter Beverwyck Lane); and

Tuesday, Feb. 9 at 7PM at the independent living facility [where we performed last year](a building well-marked, but further down Beverwyck Lane).

Note that both of these Beverwyck shows are scheduled PRIOR to our lip synch performance at BCMS, so they can serve as extra dress rehearsals. Groups need not perform at both shows, though they certainly can! We hope to put together two, 45 minute shows for the residents.

GROUP LEADERS SHOULD CONTACT:

TAMI FURLONG OR **MAUREEN POWERS** (lip synch chairs), if interested.
