

Minutes from the November 19th, 2008 meeting of the BCHS Student Senate

2:15 Discussed what we could do for the community for the upcoming holiday season. Some ideas were: coats for kids, toys for tots, hanging holiday decorations, volunteering at soup kitchens.

We decided to look into coats for kids and toys for tots as well as seeing what decorations we would be allowed to put up, if any.

2:35 Mike Rice addressed that we have bulletin board space outside the cafeteria. We decided we will decorate it Friday (11/21/08) after school.
